Health and Wellness Council

Schools receiving a Georgia Shape grant must establish a wellness council or enhance an existing health or wellness committee. The group must meet monthly during the school year. A wellness committee typically involves teachers, school nutrition services, health/physical education department, parents, students, school administrators, and members of the public. Middle and high school Shape grant applicants must include students in their council.

Please provide the names and titles of those who will serve on your schools’ wellness committee: *
